Tender Notice – Development of Pickleball Courts

Amrapali Sapphire Phase-2 AOA, through the Sports Committee, invites quotations from experienced and qualified vendors/contractors for the development of two (2) adjacent pickleball courts within the society premises. The concrete base for the courts is already available at the site.

Scope of Work

- Cleaning and preparation of the existing concrete floor, including minor crack repairs if required.
- Application of outdoor acrylic sports coating with anti-skid sports grade coating/paint suitable for pickleball courts.
- Standard pickleball court line marking for two adjacent courts as per official dimensions.
- Supply and installation of two regular pickleball nets with poles and tensioning system.
- Installation of fencing perimeter mesh fencing surrounding both courts.
- Supply and installation of LED sports lighting suitable for evening play.

Mesh Fencing Specifications

- Heavy-duty mesh fencing around both courts with common perimeter enclosure.
- Minimum fencing height: 7 feet.
- MS support poles securely fixed.
- All poles to be painted.
- One access gate with locking provision for controlled entry.
- All fittings, clamps, tension wires, and accessories required for proper installation to be included.
